### **A Win Wynn Situation**

#### **New Contest Offers a Free Trip to AMS Sales Symposium**

Producers have asked for a way to earn a free trip to the AMS Sales Symposium and those requests have been answered. The new *Win Wynn* contest offers several prizes including free registration\* for the symposium to be held July 15-19 at the elegant Wynn Las Vegas resort.

#### **Compete Only Against Yourself**

One of the most exciting aspects of this contest is that qualification requirements are personalized for you and you are competing only against yourself. The contest looks at your production from the first five months of 2006 and asks you to increase your production during the same period in 2007. Discounts to the Sales Symposium will be rewarded based on production increases. **If you can increase your production by 50% or more, your stay in Las Vegas will be on us.**

#### **But Wait, There's More!**

Marketing credits will also be awarded based on production increases. All winners will be recognized at the Symposium with a trophy and will receive a special spa package for two.

The *Win Wynn* contest period began on January 1 and will conclude on May 31. All winners must be present at the symposium to collect their prizes.

As the *Win Wynn* contest is tailored to fit your specific production, it is recommended that you contact your Business Consultant at (888) 303-8755 to determine your personal production target. Your Business Consultant can also explain the complete contest rules and offer tips to help you *Win Wynn*.

\* Producers are responsible for purchasing airfare to and from the symposium.
